### **Ji En Service**

Clayton Church of Christ began on 2 April 1951. The Chinese Ji En Service in Mandarin and Cantonese began on 1 July 2007. The church belongs to the denomination of Church of Christ, and offers its own courses in Bible studies.

Three worship services in English are held at 8:30 am, 10 am and 6 pm. The Chinese service is at 2 pm. The Kid's Church is at 10 am. Please consult other brochures on various church activities.

The purposes of the Ji En Service are to share the gospel to the Chinese, especially those who cannot speak English, and train a new generation of leaders so they can grow spiritually and serve our Lord Jesus wherever they are.

We are committed to loving our Lord and all people, and seeking to know the truth through Bible studies and prayers. We strive to live out the fruits of the Holy Spirit and commit ourselves to the sharing of the gospel, and be the light and salt of our society.

The Ji En worship is lively and joyful and we wish to welcome you to all our activities: Sunday worship 2-3:30 pm, Sunday cell groups 4-5 pm (fortnightly) and Thursday Xi Le Fellowship 1- 3pm.
