

# I Desire

Written by A.Tan

V1:

I desire Jesus Christ  
The Lamb that once was slain  
Nothing less than Jesus Christ  
A Son who died for me

V2:

I desire Jesus Christ  
The lover of my soul  
This I know, that Jesus Christ  
My broken life made whole

C:

What can take Your place?  
What can separate?  
From His hands of grace, on me  
Who has made a way?  
Who can celebrate?  
This life of victory

V3:

I desire Jesus Christ  
The saviour of the world  
Praise the name of Jesus Christ  
Who's sovereign over all
